BSafal Half Marathon

‘Magic Happens’, when likeminded people come together. The city of Ahmedabad will witness the second edition of the bSafal Half Marathon on 3rd, January 2016.

The bSafal Half Marathon was first held in January 2015 to provide running enthusiasts a platform to come together for a road race.

In this edition, organizer wants the participants experience the flattest possible route wherein they will be able to achieve their personal best. Such events are organized to celebrate the joy of fitness, with thousands of runners coming together from all walks of life participating towards a common goal of ‘Good health, good life’.

In the second edition too, the Safal Half Marathon Amdavad is geared towards a Run Against Corruption, to create awareness about a "Non-corrupt society". In India 40% of the population have had firsthand experience using or paying bribes for getting job done. And now imagine thousands of people gathering up and running towards eradication of corruption and grease money.

The marathon will be run in a fight to remove the power of and reliance on grease money, hoping for a cleaner future for the country.

Key Highlights of the Marathon:

1. 10,000 participants
2. 21kms, 10kms, 5kms
3. Supporting the anti-corruption movement
4. Multiple age categories
5. Participants from all walks of life
