

A Running event to create awareness
about organ donation.

Shatayu - The Gift of Life

Shatayu' a non profit organization- is a public service initiative by Govindbhai C.Patel Foundation, which is supported by Ganesh Housing Corporation Limited. Shatayu is derived from 'Shatayu Bhavah; a blessing from the ancient indian scriptures, 'Live a Hundred years'. Since our inception on 19th Oct 2009, we have dedicated ourselves to the purpose of spreading awareness about this concept through any and all mediums available, be it presentations at schools, colleges, corporate firms, tv ads, social media, print media, cinemas, religious gatherings, festival celebrations and door to door awareness campaigns etc. As of today more than 1,00,00,000 people made aware about the noble cause of organ donation, and 50000 have pledged for organ donation and the numbers continue to grow.

Organ Donation is a cause which needs great attention due to the huge gap that exists between donors and recipients. India has a dismal rate of organ donation at 0.26 per million population. We at Shatayu are trying to increase the rate by creating awareness for this life saving cause.
